Get to Know Your Teachers:

Mrs. Jamison

This is my twelfth year teaching. I received my bachelors degree in Elementary Education from Austin Peay State University and my masters degree in Educational Leadership from Carson-Newman University. I am married and my husband and I are both prior military. I am originally from California. We have two children. My oldest, Briana is starting college this month at the University of Kentucky and Jerhen just turned 11 about a week ago and will be in 6th grade along side your child here at West Creek Middle School. I look forward to working with you and getting to know your child this year as we advance their academic career even further.

Ms. Smith

I am so excited to be at the Creek for my fifth school year! I am the proud mother to three sons, one of which is a seventh grader at WCMS this year. My boys and I enjoy going on great adventures like hiking waterfalls and camping and kayaking because these things make life fun! I am originally from Boston, Massachusetts but am proud to call Tennessee my home for quite some time. I know that we will have a GREAT year this year by working together and can't wait to obtain success in Sixth Grade at West Creek Middle School!
